Saving Money with Sustainable Upgrades

Energy Efficiency

- \$18 million in improvements
- Affects 61 city facilities, including 13 parks
- Saves taxpayers \$1.7 million annually in utility costs

LED Traffic Signals

- Replaced more than 9,300 signal inserts with LEDs
- 90% more efficient, last 10 times longer than traditional signals
- City saves 41% on traffic signal energy costs

Just last week the U.S. Conference of Mayors recognized Indianapolis for these important sustainability improvements

Avanti demolition sets the stage for neighborhood rejuvenation

**Demolished in February for less than \$10,000,
a significant savings from the estimated demo cost about \$300,000.**

- Achieved through creative contract negotiations that gave salvage rights to the contractor and called for reusing materials whenever possible.
- 17+ acre industrial site stood vacant for decades, inviting crime and creating safety risks.

Indianapolis continues to tear down other abandoned structures in Wayne Township

- We've already demolished 109 abandoned structures in Wayne Township
- 66 more are scheduled to be removed from your neighborhoods later this year.

We're using RebuildIndy dollars to remove a total of 2,000 abandoned structures across Indy by the end of 2012.
